

## Next Steps from PMI Virtual Conference “Fingerprints of Leadership” With Patty Hendrickson

### **Great Ideas for Team Building**

All of these team building activities are appropriate for PMI Teams (and also family-friendly)

### **To Deepen the Conversation module**

This four-question tool helps the team learn more about each person. Teams can keep this very light or take it to a deeper level. Excellent tool for safe sharing with new and seasoned team members.

### **Your Plus (+) Minus (-) Plan** or Gains & Drains

This short exercise helps identify “Your Pluses” = the things that fortify, balance or ground you; and “Your Minuses” = those things that decrease or distract you from being your best. Excellent tool to share with your team. Great way to build accountability that serves everyone.

### **Windows of Wisdom** Animated Video

This short, animated video helps team members find their unique wisdom learned when faced with challenges.
